

27<sup>th</sup> September 2016.

Dear 5<sup>th</sup> Form Parents,

**Re: French students' visit**

**Welcome a French student!**

**An opportunity to practise one's French**

**(from Sunday 26<sup>th</sup> February to Friday 3<sup>rd</sup> March 2017).**

This year, as part of our 4<sup>th</sup> French school exchange, our Parisian partner school, the Collège de La Quintinye, has fifteen students who will be joining our school for a week (from Monday to Friday). Nine of our own 4<sup>th</sup> Form students wish to take part in the exchange, which leaves six more French students for whom we need volunteer host families.

We were wondering if you would like to welcome a French student to stay at your home. The French group is made up of 14 year olds, boys and girls. It will provide an excellent opportunity for your son / daughter's to practise their listening and speaking skills spontaneously through this visit. Apart from going on cultural visits in London with their respective teachers, French students will attend lessons at St John's as last year.

If you are interested in welcoming a French student, would you kindly complete the slip at the end of this letter and let me have it at the very latest **by Monday, 3<sup>rd</sup> October**.

Yours faithfully,

V. Hopp (Miss),  
Assistant to the Head.
