

Dear Parents,

Wednesday, 5<sup>th</sup> October, 2016.

**Lower Sixth Visits Day: Tuesday, 1<sup>st</sup> November**

This term, on Visits Day, the Lower Sixth students will be taken to the East End of London to take part in a Street Art guided tour and explore **Old Spitalfields Market** and **Brick Lane**. The visit will take place on **Tuesday, 1<sup>st</sup> November**, and the price is **£6.00**. Please ensure your son/daughter brings this sum in cash to his/her form teacher by **Friday, 21<sup>st</sup> October**.

On the day, our students will be required to dress smartly and warmly to suit both the formal nature of the sixth form uniform at St. John's and the potential inclement weather in November. Students will have a chance to buy lunch in Old Spitalfields Market, or they can bring a packed lunch if they wish. The students are to meet at Cockfosters Station at 9 a.m., and we expect to return to the station at 3.30p.m.

We look forward to this exciting visit and hope that the students will enjoy it as well. If you have any further queries, please do not hesitate to contact us.

Yours sincerely,

Mrs. Pollard,  
Head of Art.
